

IOD Director Briefing 4/2016

Managing Technology & Disruption

15 September 2016, 13.00 – 16.00 hrs.

at Ballroom, Renaissance Bangkok Ratchaprasong Hotel

Overview

As the world gears toward the digital era, technology plays an essential role in our daily life. In particular, business organizations need to adjust to the new trend to ensure their products or services meet with ever-changing demand of consumers. A great number of business models have been developed and those with new brilliant idea which respond to demand best and fastest will be successful. However, company may miscalculate relevant risks such as IT security and that can lead business into future troubles. Therefore, directors need to emphasize and clearly understand this crucial matter.
