

Preparing For The Next World Order

IOD INTERNATIONAL TRIP 2018

Vancouver, Canada
27 May - 3 June

Attend

ICD National Conference "Boldness in the Boardroom" & Visit Leading Companies

“

Leadership in the boardroom is not an option, but a necessity, in today's unpredictable world. Boards and directors must be bold, embrace risk and enable innovation to thrive. This year Thai Institute of Directors then will organize our annual international trip to Vancouver. We will attend 2018 National Conference organized by Canada Institute of Corporate Directors (ICD). The conference will be held under the topic of Boldness in the Boardroom: Preparing for the Next World Order.

What's on the agenda?

- Social Licence in Volatile Times
- Effective Oversight in a Climate Where Leadership Character Could Be Your Biggest Risk
- Governance in the Blockchain Age Empowering Transformation: How Your Board Can Enable Innovation
(Please see attached for the details of conference agenda.)

Apart from attending the conference, we will visit leading companies in Vancouver to learn from them.
