## Australian Governance Summit: Rising to the Moment

This year Thai Institute of Directors then will organize our annual international trip to Sydney. We will attend Australian Governance Summit by Australian Institute of Company Directors (AICD). The conference will be held under the topic of Rising to the Moment.

### What's on the agenda?

- High-performing boards – What's behind their success?
- Driving the right culture for your business
- Artificial intelligence and the considerations for boards
- Secrets of success: From start-up to sustainable global business
- Boards of the future
- Moral and ethical decision-making in the boardroom
- Unlocking the value in doing the right thing
- Preparing for the next cycle of change

(Please scan QR code for the details of conference agenda.)

Apart from attending the conference, we will visit leading companies in Sydney to learn from them.

**Additional Benefit:** 12 months' complimentary AICD membership for each delegate (value of AUD \$438 per person)
