IOD International Trip 2020 in ISRAEL

Where Director Meets Innovation

6 - 13 March 2020

About Israel

Israel is one of the world's leading countries for innovation and technology in terms of research and development. As a director in today's VUCA world, ensuring that your business is best prepared for the tide of disruption is more important than ever.

This trip will take you to learn how the business in Israel drives the use of innovation to its advantages. You will experience the thinking and working behind the innovation of companies in Israel's most advanced sectors, such as Finance, Energy, Biotechnology, Food and Agriculture.

06 Mar 2020

Depart from Bangkok Suvarnabhumi International Airport
