How do they win the cooperation of their followers? What do they fear and how do those fears affect their decisions? Let's here an in-depth about leadership, power, and communication in Thailand based on 7 years of research in cultural and social capital of Thai leaders. Larry Persons, Ph.D. , Sasin School of Management

Agenda National Director Conference 2019

Wednesday 24th July 2019

Time	Program		
1100-1200	<p>Vision-Driven Purpose: How to find, see, and guide the true WHY of your company. In these times of great change, the future of the Board is to play the KEY ROLE in guiding a purpose-driven, adaptable, and extraordinary culture for the full organization. But how can the Board help define and impact purpose? One word: VISION. In this high-impact keynote, international bestselling author Dan Roam introduces the concept of vision-driven purpose; how to harness the power of the visual mind in order to see the underlying WHY of your organization and share it for all to see: leaders, employees, shareholders, and the public. Keynote Speaker Mr. Dan Roam</p>		
1200-1300	Lunch		
1300-1415	<p>A high-performance culture: Governing the right culture for your business Culture is defined as the human element – mindset and actions – that shapes why people do what they do and how they do it. What would be key culture questions for boards that drive performance and what is good organizational culture look like? How to define and measure it consistently?
