

Director Certification Program (DCP)

A New Perspective on Becoming a Professional Director for Business Leaders and Board Members of the Future

DCP Residential

In an era where businesses face constant uncertainty—from rapid technological changes and evolving consumer behaviors to increasingly complex regulations—the role of a company director has never been more critical. It now demands vision, strategic thinking, and a deep understanding of legal, financial, and corporate governance contexts.

The DCP (Director Certification Program) by the Thai Institute of Directors (Thai IOD)

is designed to support the growth of Thai organizations by equipping participants with the essential skills and knowledge required to serve effectively on corporate boards. **Whether you are:**

Business Owner

Director of a Company

Board Member,
CEO, Managing Director,
or Senior Executive

This program is tailored for you.

DCP 411 **English Residential** : **October 4 – 9, 2026**

Venue: Veranda Resort Pattaya - MGallery Collection

“

An Excellent course, lead by the best facilitators in their respective fields. IOD's Director Certification Program, residential program allows participants to expand knowledge and networking even outside of the class.
