

Director Accreditation Program

DAP English Program (Online)

New Version

“ Foundation of Directorship

The Two-day program that provides comprehensive overview of the main components of directorship

”

Director Accreditation Program

This program will raise your awareness of the importance of the board's role in governance and the challenges it faces today, including legal, accounting, and financial issues that directly impact the business. It will also help you understand how the board can oversee these areas to promote good corporate governance within the company.

Benefits

- ✓ **Knowledge exchange** : Engage in discussions and learn through experience sharing with facilitators and participants who are directors with expertise across various industries.
- ✓ **Real-world case studies and examples** : Learn from relevant case studies of various organizations, helping you apply classroom knowledge to real-life situations.
- ✓ **Analytical and problem-solving skills** : Practice analyzing complex corporate issues and finding appropriate solutions in the context of corporate governance.
- ✓ **Confidence as a director** : Enhance your confidence as a director through training, preparing you to make decisions and perform your role effectively.
- ✓ **Networking and relationships** : Build connections with directors and executives, leading to valuable exchanges of insights and experiences that cannot be found elsewhere.

Participants who complete 100% of the program will receive a Certificate of Attendance endorsed by

DAP 229/2025 (English Program) (Online) : 1–2 April 2025, 9 am. – 4 pm.
